Colds

should be "nipped in the bud", for if allowed to run unchecked, serious results may follow. Numerous cases of consumption, pneumonia, and other fatal diseases, can be traced back to a cold. At the first sign of a cold, protect yourself by thoroughly cleansing your system with a few doses of

THE FORD'S BLACK-DRAUGHT

the old reliable, vegetable liver powder.  
Mr. Chas. A. Ragland, of Madison Heights, Va., says: "I have been using The Ford's Black-Draught for stomach troubles, indigestion, and colds, and find it to be the very best medicine I ever used. It makes an old man feel like a young one." Insist on The Ford's, the original and genuine. E-67

## FIRST LIST NOMINEES APPEARS TO-DAY

Are You Among the Popular and Energetic People Whose Names Appear in the List Below.

## MANY CALLED TO ACTION

The Review's Contest is the Largest Ever Attempted by a Weekly Newspaper in the South--Those Who Are Believed to be Strong Enough to Succeed are Being Nominated by Loyal Friends.

A splendid list of nominees appear today who are offered an opportunity to participate in the distribution of more than TWO THOUSAND DOLLARS IN CASH and awards through the medium of the Review's free voting contest. A surprising array of local talent is shown and as the contest affords all equal chance to score a victory there will perhaps be an interesting time before the final moments of the contest come.

### IS YOUR NAME HERE?

If your name appears you are to be congratulated that some one thinks you have only to exert yourself a little to obtain just the award you desire from the excellent list presented. You may be sure that if your character did not carry the required elements of success your name would not have been sent to this office in connection with this contest. Your banner is in the field and with the use of your spare time to gather free votes you cannot fail to make adequate profit.

### THE PRIZES.

A splendid \$1,050.00 Studebaker automobile heads the list of awards, a car indeed that any person would be proud to drive any where. If the person who secures the most free votes during the contest prefers the price of the car in cash he or she may have money in lieu of the car to the amount of \$900.00. Now this amount of money is a respectable nest egg and it may open the door of fortune to the candidate who wins it.

The second prize is a building lot which is well worth the effort it will take to get it. A clear deed will be given to it to the candidate who wins second place in this contest.

### YOU CAN'T LOSE.

A little home can be built upon this piece of real estate. Its location is good and its value is rapidly increasing. It is truly a grand little prize to win during your spare moments for the next few weeks. Diamonds, cash, jewelry and other awards are offered for free votes; surely among so many valuable prizes you can find just what you want. If however you should fail to win an award after having tried for subscriptions throughout the contest you will receive a cash commission of TEN PER CENT of all collection for The Review which you make during the contest. You see that it will be impossible for you to lose in this contest and there is no valid reason why you should not begin an active campaign at once. You are a nominee your lanner, is in the field, show that you have the ambition, energy and courage which your friends evidently think you have, by taking your colors to the front and keeping them there.

### THE PRIZES--AUTOMOBILES-- ETC. -- OPTIONS.

The awards to be distributed are indeed worth consideration as, for the highest score made by any candidate during the contest, a beautiful Studebaker Four automobile, costing \$1,050. at factory or \$900.00 in cash, or should the lucky candidate decide upon a cheaper car the difference between the price of the cheaper car selected and the \$900.00 cash, will be cheerfully given in money to the candidate who obtains the highest score.

For second place in number of votes cast a fine building lot will be given free, location to be announced later.

For third highest score a beautiful solitaire diamond valued at \$100.00 will be given.

For fourth highest score, a \$100.00 full scholarship at Edward's Business College, this city.

For fifth highest score a gold watch will be given.

For sixth highest score a gold watch will be given.

For seventh highest score a gold necklace will be given.

For eighth highest score a gold bracelet watch will be given.

For ninth highest score a gold watch will be given.

For tenth highest score a silver mesh bag will be given.

For eleventh highest score a gold bracelet will be given.

For twelfth, thirteenth, fourteenth and fifteenth highest scores splendid little kodaks will be given.

To all who fail to obtain enough votes to entitle them to a prize will be given a cash commission based upon the amount of business that The REVIEW receives through their personal efforts during the contest. Every candidate will receive something and there can be no absolute loss of time.

### THE CONTEST IS OPEN TO ALL

The contest is now open to all, both young and old alike. It costs absolutely nothing to make nomination nor to become a candidate. The contest will close Wednesday Sept 30th at twelve o'clock midnight. Send in your name or that of a friend today, it will cost you nothing to become a candidate and you are sure of gain. Do not hesitate but act at once, the time is short and large profit may be had.

## THE FIRST FROST OCT 8TH

Isaac Pettiford has heard the katy-did make a noise like frost and he stalks into the Review office to prognosticate a frost on the 8th day of October, because the tell-tale katy-did DID on the 8th day of July, in the year of nineteen and fourteen. Pettiford says put it down in black and white that the first frost will occur as above mentioned, although he believes it will not be a killing frost. So jot this down in your log book and see if Isaac knows anything of the katy-did language.
